

The German Social Accident Insurance Institution for the Raw Materials and Chemical Industry
(Berufsgenossenschaft Rohstoffe und chemische Industrie - BG RCI) hereby certifies that

Infrasite Monheim GmbH
Industriepark Höchst, D607
65926 Frankfurt/Main

with the locations

Langenfeld Leverkusen Monheim Wuppertal

meets the requirements of systematic and effective occupational safety and health on the basis of the

»Systematic Safety« seal of approval

for the industry-specific implementation of

ILO-OSH 2001

**guidelines on occupational safety and health management systems
(International Labour Organization).**

The assessment also proved that the

ISO 45001:2018

guidelines are implemented and that an

Occupational Health Management

has been established according to the common quality criteria for an OH-Management of the German social accident insurances.

The investigation on 10th November 2021 was carried out in accordance with the DGUV procedural principles 311-002 for the assessment of „occupational safety and health management systems“.

This certificate will remain valid until 09th November 2024.
